

Soaring High

Summer, 2010

Director's Corner

Volume 3, Issue 4

As the school year comes to a close I want to remind parents of the importance of reading with your children over the summer. The teachers post a list of recommended books that are appropriate for each grade level. Keeping up reading skills will help make a more successful school year when students return.

The 21st Century Learning Center will be offering a summer enrichment program. If you didn't receive a flyer about the program, please let me know. You can access the flyer on the New Summit website.

Have a great Summer and I will see you next school year!!

Special points of interest:

- ✓ Don't forget, program ends at 5:00 and all students should be picked up no later than 5:15
- ✓ Don't forget the After School Program will be opened for its last day this school year on May 19th.
- ✓ Final exams will be May 20, 21, and 24.
- ✓ The CCLC phone number is 601-260-5267

I have enjoyed watching all the students grow and mature this year. It will be sad to see some of the students move on to other schools but I look forward to seeing whomever returns!

Fun Times in After School

We have enjoyed some entertaining eating projects in After School recently. For Easter, Mrs. McCain made cupcakes and the students created Easter baskets with icing, coconut, jelly beans, and M&M's. The students got

very creative!!

For Earth Day, the students made Earth rice krispie treats using blue and green colored rice krispies. It was a messy, delicious treat.

We had a fiesta for Cinco do Mayo! The

students enjoyed tortilla chips with salsa or guacamole and Dulce De Leche pudding. They also researched the meaning behind Cinco de Mayo.

It is always a fun time at snack!!
